# Terms & Conditions for Applicants (Prospective Tenants) (Subject to Contract)

Below are the terms and conditions applicable when renting a property through Bassets Property Services Ltd.

Please read them carefully and sign the declaration at the end of this section. Please return this completed form along with any required photographic identification. **Please note that all applications are accepted strictly only on a 'subject to contract' basis.** Please note all monetary references include VAT.

## Registering Your Interest in a Property, Holding Deposit and Referencing

1. By paying a Holding Deposit of one week's rent (from the day these are received in cleared funds) you have registering your interest in renting the property. Our **Deadline for Agreement\*** Date will typically be the advertised Availability Date for the property or the tenancy start date you have proposed in your application below (this date can be subject to change).

By signing this agreement you are consenting to an extension which allows Bassets to retain the Holding Deposit money beyond the 15 calendar days specified in the Tenant Free Act 2019. This will be the period from the 16<sup>th</sup> day up to the proposed move in date (Deadline of Agreement) if later. These monies will then be used to pay towards the first payment of rent and the tenancy deposit.

This completed application form will constitute your formal offer to rent the property; and relevant information will be forwarded to the landlord for consideration (this will also include a final report post referencing if you are to be the successful applicant). We'll check the form before asking you to pay the Holding Deposit. Only once the offer is accepted by the landlord and the Holding Deposit paid in cleared funds will we start the formal referencing process. At this point we will then forward you a link to our preferred referencing agency to complete the appropriate information.

2. Prospective Tenants can only move into the property provided that all monies have been paid in cleared funds and confirmation of the Tenants' acceptability has been advised to us by the Landlord. This applies even if satisfactory references have been received. Prior to the date of move in, the Damage Bond Deposit and rent (see clause 11) must be paid in **cleared funds** by, cash paid directly into our account, debit card payment or BACS. Payment should be made **10 working days ahead** to ensure there is sufficient time for the money to clear.
3. Once the Holding Deposit is received and reference information has been completed by all tenants (those over 18yrs of age) who wish to take up residence in the property. Bassets will start your references using a professional, independent referencing company which is fully registered and compliant with all relevant legislation including The Consumer Credit Act 1974 and General Data Protection Regulations (GDPR), with the results taking approximately 4 to 7 working days to be returned (one you complete the required information online). These will include a formal credit check, employer's/accountant's reference and a previous Landlord reference (checking rent was paid on time with no arrears, the property was left in an appropriate condition and the landlord would rent to you again). To pass referencing your basic salary or income needs to be equivalent of 30 times the monthly rent. If savings this will need to cover the rental payments for the duration of the agreed tenancy.

As part of this process, Bassets is required to check that ALL Prospective Tenants comply with the Government's **Right to Rent guidelines**. You will be asked to provide proof of your right to rent. In most cases a passport will suffice, however if you're a non UK, EU or Swiss National (all of whom have an unlimited right to rent) you may need to provide further details to confirm your right to reside in the UK. Please ask Bassets for further information.

4. As the Landlord's Agent, Bassets reserves the right, without explanation and at any time, to refuse you a Tenancy for one or all of their Landlord's properties. The landlords and Bassets decision will be final and binding. Bassets cannot and will not enter into any discussions or explanations on any decision.

5. The Landlord or Agent must repay the Holding Deposit to you if:
  - i. The Landlord and Tenant enter into a Tenancy Agreement (in this event, the Holding Deposit will be used to offset the Damage Bond Deposit, see clause 16);
  - ii. The Landlord decides before the Deadline for Agreement Date not to enter into a Tenancy Agreement;
  - iii. The Landlord and the Tenant fail to enter into a Tenancy Agreement before the Deadline for Agreement Date.
6. The Landlord or Agent can retain the Holding Deposit if:
  - i. The Tenant fails a Right to Rent check regardless of when the Deposit was accepted.
  - ii. The Tenant provides false or misleading information, which the Landlord is reasonably entitled to consider in deciding whether to grant a Tenancy because this materially affects their suitability to rent the property.
  - iii. The Tenant notifies the Landlord before the Deadline for Agreement Date that they have decided no longer to enter into a Tenancy Agreement.
  - iv. The Tenant fails to take all reasonable steps to enter in a Tenancy Agreement.
7. Bassets will contact you to agree a formal moving in/tenancy start date once referencing has been completed successfully. At this point a third party will contact you to offer to handle the utilities for your move in day.
8. As part of this agreement, you indicate your consent to your personal information being passed to our Utility Management Partner, Itria Limited who will attend to the continuity of your energy and service supply by passing your details over to the current utility providers, Itria's preferred supplier where the property has gone through the void switching scheme and local council of the property.

When you come on supply with our preferred supplier, your meter may lose some of the Smart Meter functionality. Our preferred supplier may not receive automatic meter readings, meaning meter readings may need to be submitted manually and the pricing information shown on your In-Home Display may not be accurate. Your supply won't be affected and your meter will continue to record your consumption and you'll still be able to see this on your In-Home Display

**You are still advised to contact the local council, water supplier(s) and energy provider(s) to do a change of Tenancy notification and set up payment.**

9. Any fees and payments due to Bassets (rent and Damage Bond Deposit currently exempted) will carry VAT at the rate applicable on the date they are raised.
10. Any repayment of the Holding Fee, Damage Bond Deposit or any other monies at any time by Bassets will always be made by BACS. If any fees were originally paid by cheque, they will not be returned until they have been fully cleared in Bassets' bank account.

## **Damage Bond Deposit**

11. Prior to moving into the property you will need to pay the Damage Bond Deposit which is held by a suitably approved Deposit scheme for the duration of the Tenancy. At the end of the Tenancy, the Deposit may be used to offset any damage, costs, outstanding rent or charges relating to the property or your Tenancy. **The Damage Bond Deposit is equivalent to 5 weeks' rent and must be paid 10 days prior to the date of move in, or the Deadline for Agreement Date if sooner, in cleared funds by, cash paid directly into our account, by debit card payment or by BACS.**
12. You may not, at any time, use the Damage Bond Deposit in respect of rent arrears owed to the Landlord and/or any outstanding fees due to Bassets (as set out in the Tenancy Agreement). Payment of rent from the Damage Bond Deposit shall not, under any circumstances, be construed as discharging your liability to pay the rent due under the terms of the Tenancy Agreement.
13. Where a Landlord agrees that a pet is acceptable, a higher rental figure may be charged in line with the published rates or as otherwise agreed.

## Moving In

14. Unless otherwise agreed and confirmed by Bassets in writing before the Tenancy commences, Tenants are liable for all payments in respect of gas, electricity, water, sewerage, cable services and any other utilities and supplies to the property, including all telephone charges. Additionally, by law, Tenants must register for Council Tax.
15. **The move-in appointment will take place at Bassets' Salisbury Office** These appointments can only take place **Monday to Friday between 1.00pm and 5.00pm and Saturdays between 12.00pm and 2pm.**
16. Upon move in, the original Holding Deposit will be put towards the Damage Bond Deposit and rent.
17. Please note that to avoid embarrassment and incurring additional costs, **under no circumstances will Tenants be allowed to move into a property unless and until** all necessary payments have been made in full and in cleared funds.
18. All Tenants and guarantors must have signed the necessary legal documentation **before** the legal commencement of the Tenancy i.e. taking up authorised occupancy.
19. Tenants are advised that although BT points, TV aerial or cable points may be present, there is no guarantee they are live and it is the Tenants' responsibility to make these active if attention is needed.
20. If for any reason you vacate your property prior to the end of the fixed term or the legally recognised legal end date of your Tenancy, you could be liable for an Early Termination Fee in accordance with the Tenant Fees Act. We would confirm in writing at the time what our reasonable fees are that would be owed. You will remain legally responsible for your rent up to the earlier of the end of your fixed Tenancy and the date any new Tenancy commences.
21. **Rental payment dates will always be the date on which the Tenancy commenced (as stated on your Tenancy Agreement)** and the rent is payable monthly in advance (where the property is managed by Bassets rather than by the Landlord). Tenants are expected to make the necessary arrangements to ensure that rents can always be paid monthly on the commencement date of the Tenancy. Rents must always be paid by standing order and a form for this purpose will be issued to you at the move-in appointment. This standing order form must be completed and either taken to your bank or set up **by you** (through online banking) for the appropriate rental payment each month. Non-payment of rent or late rent will be in breach of your Tenancy terms and could lead to additional charges being incurred as well as jeopardising the security of your Tenancy.
22. Any outstanding fees or rentals payments due, but remaining unpaid, at the end of the Tenancy will be deducted from the Damage Bond Deposit before it is returned to you. If the Damage Bond Deposit is insufficient to cover such charges, you will remain personally liable to Bassets or the Landlord for all such outstanding monies.
23. At the end of your Tenancy, an End of Tenancy Inspection appointment will be booked (normally the next working day after your Tenancy ends). **All keys must be returned to Bassets Salisbury Office before 5pm on the last day of your Tenancy.** The full rent will continue to be payable either until Bassets receive all keys or expiration of your Tenancy, whichever event occurs later.
24. Providing all matters are in order, and any deductions are agreed and covered by the Damage Bond Deposit held, you can normally expect the return of the net balance due from the original Damage Bond Deposit within approximately 21 days. If you do not return the property in an appropriate condition, this is a breach of the Tenancy terms. If works and repairs are required to be carried out, Bassets or your Landlord may seek damages and compensation from the Damage Bond Deposit.
25. As referred to above, the Damage Bond Deposit will be returned by the deposit scheme and returned to the head tenant who will provide bank details at the time (on the schemes own website). Information of the deposit scheme we'll use will be provided as part of approving and signing the tenancy agreement.

## Insurance

26. I confirm that I have been recommended to take out a Tenant 'Contents' policy and that if I have not taken out such a policy it is only because I already have adequate cover in place which my existing insurer has confirmed is not prejudiced in any way by me now renting a property as Tenants. I therefore accept full responsibility for any future public liability claim made against me and which for any reason may not be fully met by my existing insurer.

### **Tenant Liability Insurance**

To help safeguard the return of your Damage Deposit Bond, we strongly recommend that Tenant/s take out appropriate Tenant 'Liability' insurance to protect the Tenant's liability in respect of accidental damage caused to the Landlord's furniture, fixtures and fittings at the property as described in the attached inventory, under the terms of the Assured Shorthold Tenancy.

### **Guarantors**

27. You may be required to provide a guarantor who can stand as security in case of any breach of the Tenancy Agreement, before your suitability for any property can be fully determined. Bassets will provide you with a guarantor application form for your guarantor to complete and have witnessed together with a covering letter, which will explain their commitments. You should, wherever possible, submit the completed guarantor application form to Bassets at the same time as your own application form. If you do not, and the guarantor has not been fully referenced by your proposed moving in date, then unfortunately your Tenancy commencement will have to be delayed.

### **Client Money Protection**

28. As part of our professional association with ARLA Propertymark, Bassets holds your money in a separate client account with The Propertymark Client Money Protection Scheme (CMP) which is independently inspected annually and government approved. This is then backed by a Client Money Protection scheme which means your money is safe if the worst was to happen.

Please visit [www.bassets.co.uk/tenant-hub/](http://www.bassets.co.uk/tenant-hub/) for a copy of our Client Money Protection Certificate. This means we can proudly display the ARLA Propertymark logo in recognition of this extra protection for our clients and customers.
